**The Adult Center for Enrichment and The Arc of Greensboro Offer Education for Caregivers of Those with Developmental Disabilities.**

**Greensboro, N.C.** – The Adult Center for Enrichment in partnership with The Arc of Greensboro invite Caregivers of those with developmental disabilities to attend an open forum session. This will be held Thursday September 16<sup>th</sup> from 10:30am-12:00pm at Muirs Chapel UMC, Muirs Chapel Rd., Greensboro, NC. This time will encourage caregivers to share what they perceive their needs to be in the coming years. As those with developmental disabilities age, their caregivers may face questions concerning the future for themselves and their loved one. The goal of this open forum is to gain insight from caregivers in order to shape future education services around their needs.

There is no charge for this training, and refreshments will be provided. Please let us know if you need care for your loved one.

The Adult Center for Enrichment is a non- profit, United Way agency that serves frail and impaired adults, their families and the community through specialized adult day services, respite care, education and support.

The Arc of Greensboro is committed to identifying and securing life-long opportunities for children and adults with intellectual and developmental disabilities.

To register, please contact Ruth Edwards before **September 14<sup>th</sup>, 2010** at 235-3001  
or [redwards@arcg.org](mailto:redwards@arcg.org) . , space is limited.
